# Instructions on downloading and using Voov Meeting

(We are using Windows here, and we assume that it works similarly in the Mac OS.)
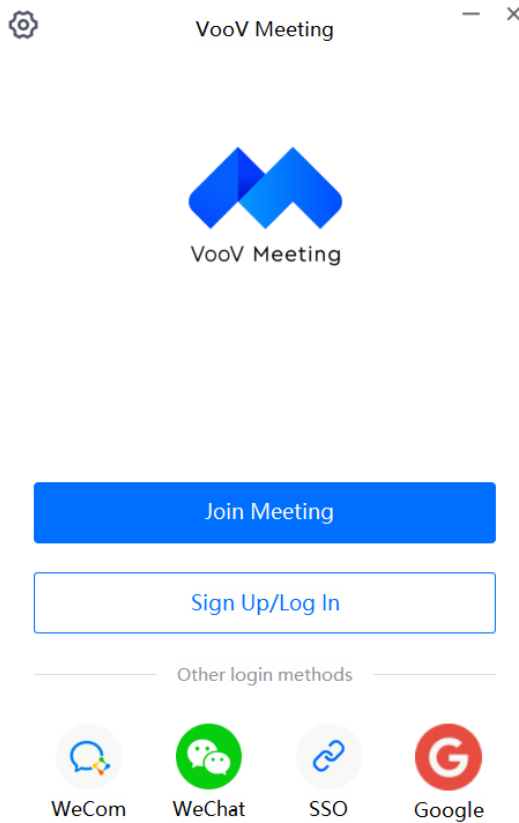

1. Visit the website
   https://voovmeeting.com/
   to download Voov Meeting (from the download center).
2. Double click to open the installation package. Select the language, click "I Agree", and then "Install" to start the installation.

3. Run Voov Meeting

Then click the "Sign Up/Log In" button.

4. If you use Voov Meeting for the first time, Click the "sign up" button as shown in the following picture to sign up an account.
